Blue Wing

Nelly Bly

Blue Wing

Well the signs were there in plain sight. A media personality, fashion designer, entrepreneur, philanthropist and..

Nelly Bly

Blue Wing Huddle The anti-Hero is being taken into custody.

The army and police surround the Anti Hero.

Anti-Hero

Why are you doing this to me? Am I not the source of pride for Central city? Look at all the businesses I've started and the amount of poor people I have helped? And those weapons who designed them? And now you want to arrest me!

Commander Stitchup

IT's out of our hands. The Mayor has ordered you immediate detention. Half the city centre is destroyed. Thanks for the new toys.

Anti-Hero

IT wasn't just me though was it you tin pot soldier

Commander Stitchup

Now now, no need to get personal

Anti-Hero

You made this personal by coming here to arrest me when all I was doing was saving this city from that filthy tramp your pathetic media is hailing a superhero. He's neither super or hero. How long do you think that building will stay in the sky before it comes crashing down to earth killing hundred

Commander Stitchup

Well we have 4000 dead because of your carelessness Anti-Hero

Anti-Hero

UUUUrrgh your breath stinks, I've got a#some Ice extra in my top pocket.

Commander Stitchup

I've been fasting, oh thanks... hey you're trying to trick me!

Anti-Hero

Not at all Commander stitchup. Just being my normal hospitable self, much like when you attend my gala events at top table

Commander stitchup

Well erm..yes, well that's before you became a maniac with minions wrecking the place

AntiHero

Why commander stitchup you know me better than that. You will recall our arrangement with the Eagles nest...

Commander Stitchup

That's enough. Seize him!

Anti-Hero

Wait wait wait.. I did this city a favour. You saw the hero, you saw what he did. Where is he? Who is he? I was just showing the good people of Central city that there are superheroes and meta humans in our midst. I was just drawing him out.

Commander stitchup

Then why declare yourself ruler of the world and go on the telly to announce that we are all your slaves!

Anti-hero

Why commander I was joshin. Banter. It was just bants

Commander stitchup

Enough. Lock him away.

A group of large policemen take the Anti-hero into custody as he struggles. We go back to the trapped young scientists floating above the city
